

**Dear Members**

**At the outset, the Managing Committee expresses its thanks to all the members . The Committee also thanks the members for all the co-operation and support extended without which, what we have achieved would not have been possible. We pledge our dedication, sincerity and transparency in functioning of the society and have moved one more step by having members' personal details and fund transaction online to help members seeing their details . We expect the same support in future also**

.
