Sub: Default of payment in land cost

Dear Member

It has also been noticed that payment on account of 2/3rd **installment** of land cost has not been paid by you till date.

As you aware and informed repeatedly through various communications that the land is being purchased from the money received from the members and it has also been repeatedly intimated that members who will be default in payment, they will not be eligible for participating in the land pooling policy since because of non-payment by them, the Society has not been able to purchased their share of land. This is the last opportunity for you to make payment immediately failing which, you would not be accommodated in the land-pooling option.

As per the decision taken in the General Body Meeting held on 1st March, the rate of interest on late payment w.e.f. 1st June, 2015 would be @ 12% for the period of late payment.

You are requested to make the payment immediately in order to make yourself eligible for land-pooling option.
